EKHCD COMMUNITY COLLABORATION FUNDING

Promoting health and well-being; making our community better by helping take ideas further. Providing funds to help local entities develop community-driven ideas to make a difference within the EKHCD sphere of influence so that our common goal of improving the quality of life for individuals, families, neighborhoods, and communities can be reached.

INSTRUCTIONS FOR APPLICANT

Prepare a proposal letter, no longer than three typed pages. Include the following information:

Applicant Organization Description

Summary of mission and objectives, contact name, phone number, address, email address.

Project Description

Amount requested, project history, number and demographics of people served, expected results, marketing and promotional plans, term of activity, additional information if applicable.

Volunteerism

Describe any opportunity for volunteer involvement that might be associated with the project

Tax-Exempt or Government Status Letter

Provide W-9, Request for Taxpayer Identification Number and Certification.
Schools or units of government – submit request on official letterhead.

Additional information, helpful, but not required

Budget

Current list of community partnerships, collaborations and/or donors.

Submit all materials:

From: **Vasquez, Frank** <fvasque1@wm.com>

Date: Wed, May 31, 2023 at 4:10 PM

Hello Karen,

Visit Summary

It was a pleasure meeting with you and Richard today, May 31st at 10:30 am. As discussed, per CA State Law, there are some changes that need to be made to the site as it pertains to SB1383. Per CA State Law, all generators of waste within the State are required to have a 3-container system (**Trash=MSW, Recycling=RCY, and Organics=ORG**). The only exception is to those commercial generators that meet certain requirements, they may apply for a waiver exemption by the jurisdiction (California City). An example of a business that might qualify would be one that does not have any organics waste (like a small insurance office with 1 employee and no landscape). Since EKHCD has multiple offices, multiple staff, as well as yard waste, we will need to set up RCY and ORG services.

Rates Breakdown

Currently, EKHCD has (2) 3-yard MSW dumpsters being serviced once a week (on Mondays). The current rate for (1) 3-yard MSW is \$184.71, times two-dumpsters is \$369.42/monthly. Even though you are not currently subscribed to recycling, commercial RCY is included in your MSW rate already and is serviced every other week on Thursdays. This means there is no additional charge for adding Recycling. ORG is serviced in 64 gallon carts every week on Wednesdays. The rate per cart is \$55.38 per month. Additional carts can be added if needed.

Locking Fees

Karen and Richard mentioned their interest in locking the dumpsters. The locking fee is \$31.35 per month, per bin. Since we will have (2) dumpsters the rate would be \$31.35 x2 = \$62.70/monthly. Otherwise, Karen and Richard could put their OWN lock on the dumpsters and they would be responsible for removing the lock and putting it back on before and after service. We also discussed the possibility of EKHCD building a gate in front of the enclosure and only locking the enclosure rather than locking the individual bins.

WM's Recommendation

Current: (2) 3-yard trash dumpsters picked up 1x a week. Current Rate: \$369.42/monthly

First New Suggestion: Change trash to (1) 3-yard trash dumpster picked up 2x a week (Wed/Fri). New Rate: \$296.70 (**\$72.72 monthly savings**). Same level of service.

Second New Suggestion: We add (1) 3-yard recycle dumpster picked up 1x every other week. Rate: Included/Free.

Final New Suggestion: We add (1) 64-gallon organics cart picked up 1x every week (Wednesdays). Rate: \$55.38/monthly (**Still saving \$17.34/monthly**).

Final Statements

Lastly, Karen had asked for a link to a video showing what happens with recyclables at our facility. I have also attached some educational materials for recycling and organics. Link to video of our Recycle MRF (Material Recovery Facility) - <https://www.youtube.com/watch?v=wsfE9ab8lg4>

All the best,

Frank Vasquez

NEW STATEWIDE MANDATORY ORGANIC WASTE COLLECTION (SB 1383)

What is the new law?

The California State Legislature passed Senate Bill 1383 (SB 1383) which requires cities and counties to reduce organic waste disposal by 75% by 2025. Starting January 1, 2022, all California businesses will be required to sort food scraps and yard debris from their trash and recycle in an organics cart.

What Is Organic Waste?

- Food waste
- Green Waste
- Landscaping/pruning waste
- Non-hazardous wood waste
- Food soiled paper waste mixed in with food waste

How do I become compliant?

- Establish an Organics Collection program with Waste Management.
- Demonstrate that you are recycling your Organics material through an alternate method.
- Demonstrate that you do not generate or dispose of Organics material at your business and secure a waiver from the city by requesting a waiver application.
- Demonstrate that you do not have space for additional containers required to collect Organics and secure a waiver from the city by requesting a waiver application.

How do I find out more?

- Contact Recycling Manager, Frank Vasquez, at (661) 569-7626 or fvasque1@wm.com.
- For more information about the law, visit California Department of Resources Recycling and Recovery (CalRecycle) website at www.calrecycle.ca.gov/organics/slcp/.
- For updates and further information, please visit: www.wm.com or www.rorr.com

What Goes In the Organics Cart:

FOOD WASTE AND
FOOD SOILED PAPER

YARD WASTE

PRODUCE

MEAT, FISH & POULTRY

DAIRY

BREAD, PASTA, RICE,
GRAINS, COFFEE GROUNDS
AND FOOD SOILED PAPER

DO NOT INCLUDE:

- NO LOOSE PLASTIC BAGS
- NO SERVEWARE/UTENSILS
- NO PLASTIC CONTAINERS
- NO FOAM CONTAINERS
- NO HAZARDOUS WASTE

Place organics materials directly into your organics cart - **don't bag your organics materials.**

Mandatory Recycling For Businesses & Multi-Family Complexes

Did You Know? California's Mandatory Commercial Recycling Law (AB 341) requires businesses and multi-family properties to recycle.

**COMMERCIAL
RECYCLING
(AB 341)**

Businesses that generate at least four cubic yards of solid waste (trash) per week and multi-family properties with five units or more, must have a recycling program in place.

Did You Know? California's Mandatory Organic Waste Recycling Law (AB 1826) requires businesses and multi-family properties to arrange for organic waste recycling services.

**ORGANICS
RECYCLING
(AB 1826)**

Currently, under AB 1826, businesses and multi-family properties that generate two cubic yards of solid waste per week, must have organic waste recycling services. Under SB 1383, all businesses and multi-family properties are required to recycle organic waste, unless you are granted an exemption from your jurisdiction.

Did You Know? AB 827 supports AB 341 and AB 1826 covered generators by making recycling and organic recycling containers available to customers.

**RECYCLING
CONTAINERS INSIDE
COMMERCIAL
ESTABLISHMENTS
AB 827**

As of July 1, 2020, Assembly Bill 827 mandates most businesses that are subject to AB 341 & AB 1826 must provide recycling and organics containers at front-of-house to collect waste generated by customers from products they purchase and consume on the premises. These containers must have signage and be placed adjacent to trash containers. For sample signage, visit <https://www.calrecycle.ca.gov/recycle/commercial/organics/prtoolkit>

WM can help your business or multi-family property comply!

Contact Commercial Recycling Manager Frank Vasquez at (661) 569-7626 or fvasque1@wm.com.

Yes in the Recycling Container:

Plastic Bottles & Containers

Food & Beverage Cans

Glass Bottles & Jars

Food & Beverage Cartons

Paper

Flattened Cardboard & Paperboard

Please do not include:

- MATERIAL INFLAMABLE

To: East Kern Health Care Directors.

From: B.J. & Anthony

Task: Needs of the seniors of our community in California City.

Identifying the problem:

After much research in California City, talking to seniors about their needs it was discovered that a lack of resources and information for seniors especially in California City information is not available to the seniors more work is needs to be done to reach them and to let them know what's available how to get needs, who to contact for it, how to get seniors connected to it.

Solution:

(capK) Community Action Partnership of Kern has 16 programs under their umbrella with not just resources for seniors but for our entire communities for example they have programs to help pay your bills, food bank distribution, and a senior program to help them find other resources, healthy eating program, child care WIC, EBT, and many more this is exactly what we need in California City, their program fits the needs for a seniors but even more for our entire community. This is a One-Stop shop for our community in California City.

By working with (capK) organization and no cost to (EKHCD) we will be able to get the help needed to reach our seniors and community as a whole by using (capK) to help get the message out about their program and what they offer to the California City community.

Website: capk.org

Thank you.

Head Start/State Child Development:

Head Start

Head Start provides quality preschool education for low-income children ages three to five in communities across Kern County.

Early Head Start

Early Head Start delivers early childhood education from birth to three at learning centers located throughout Kern.

Home Based

Head Start Home Base provides home-centered education and support for low-income children and parents.

Home Visiting Program

The Home Visiting Program links new parents who face poverty with resources and skills that will help them create a strong future for themselves and their children.

Health & Nutrition Services:

Food Bank

The Food Bank distributes more than 20 million pounds of food annually to Kern County residents through a network community partners.

Women, Infants & Children

CAPK WIC helps mothers, infants and children below the age of five establish and maintain healthy lifestyles.

CalFresh Healthy Living

CAPK CalFresh Healthy Living improves the nutritional health of low-income Kern County residents by providing access to nutrition education, physical activity skills, and training.

Services to Families & the Community:

2-1-1

2-1-1 Kern County

2-1-1 Kern is a 24/7 information and referral service that provides local residents with comprehensive information and links to community health and human services at no cost.

Energy Program

CAPK's Energy Program assists income-eligible residents with utility bill payment assistance, free weatherization and energy education.

VITA

Volunteer Income Tax Assistance

The VITA program helps thousands of low- and medium-income families pay their taxes each year with no-cost tax preparation services.

Shafter Youth Center

Shafter Youth Center offers families a wide array of services in the Shafter area.

Friendship House Community Center

Friendship House Community Center offers families after-school and summer programs, nutrition education, and social services.

East Kern Family Resource Center

Provides learning activities, parent support, social services and crisis assistance to low income families in rural eastern Kern County.

M Street Navigation Center

Provides beds, meals, laundry, support services and pet care to unsheltered individuals

Coordinated Entry System

CAPK operates Kern County's Coordinated Entry System, providing a single point of access for shelter, job resources, mental health, substance abuse and other services for individuals experiencing homelessness in Kern County.

Migrant Childcare

Provides migrant farmworker families with childcare across California. Families can sign up in Kern, Kings, Madera, Merced, Tulare, and Fresno counties.
